Once there was a man who was happy and had friends.

One day he noticed that there was a bad problem with his skin. This skin sickness was called Leprosy.

The man had leprosy skin sickness all over his body.

Today we would take him to a hospital but back in those days the other people made him leave the town because he had leprosy

The man was sad and lived outside the town with the other people that had leprosy.

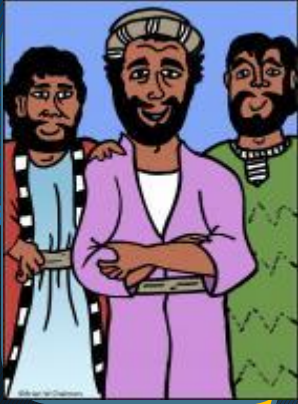

One day Jesus came down from a mountain. The people all came out to see Jesus.

The man with leprosy came and kneeled down in front of Jesus and said "Lord, if you are willing, you can make me clean"

Jesus healed the man and he was all well. Jesus told the man to go show himself to the priest and offer the gift that Moses had told people to give.
