*A man had two sons. One of the sons asked his father to give him the inheritance that he would have gotten when his Father died.*

*The Father gave his son  
his inheritance.*

*A few days after he got the money he son took the money and went to a distant country.*

*The son wasted all his money in wild and bad living.*

*After a while the son  
learned that he had  
spent all the money  
he had and he was  
poor.*

*The son got a job taking care of swine (pigs). He was so poor and hungry that he wanted to eat the pigs food. He knew that the men that worked for his father always had lots to eat. The son decided that he would go back to his father and tell his father that he had sinned against him and that he was sorry and wasn't worthy to be called his father's son.*

*Even when he as a long way from the house his Father saw the son and ran to meet him. He was very happy to see that his son was back home.*

*The father hugged his son and told the workers to put new clothes and sandal shoes and to give him a ring. The father told the workers to make a special big meal for his son. The brother of the son was jealous but the father told him that he should be happy because it was like the son had been lost and now he had been found.*
